

Creativity

Creativity is an important factor in learning and increases performance.

Please take some time to think about what creativity means to you, and what you are doing in your classes to promote the creativity of your learners.

1) How much do the following statements apply to you? Mark the most appropriate answer per statement.

1. I apply methods in my teaching that promote the learners' creativity.

I totally agree I rather agree I partly agree I rather disagree I totally disagree

2. I promote the curiosity of my learners and let them discover new connections.

I totally agree I rather agree I partly agree I rather disagree I totally disagree

3. I use teaching methods that stimulate the imagination of my learners.

I totally agree I rather agree I partly agree I rather disagree I totally disagree

4. I regularly use examples of lifelike issues for which students should work out solutions.

I totally agree I rather agree I partly agree I rather disagree I totally disagree

5. In my lessons I use materials that promote the learners' creativity.

I totally agree I rather agree I partly agree I rather disagree I totally disagree

6. I encourage my learners to show their potential.

I totally agree I rather agree I partly agree I rather disagree I totally disagree

2) Insert the corresponding points in the column to the right of the statements and calculate the sum in the last line (total).

4 points I totally agree	3 points I rather agree	2 points I partly agree	1 point I rather disagree	0 points I totally disagree
------------------------------------	-----------------------------------	-----------------------------------	-------------------------------------	---------------------------------------

Statement	points
1. I apply methods in my teaching that promote the learners' creativity.	
2. I promote the curiosity of my learners and let them discover new connections.	
3. I use teaching methods that stimulate the imagination of my learners.	
4. I regularly use examples of lifelike issues for which students should work out solutions.	
5. In my lessons I use materials that promote the learners' creativity.	
6. I encourage my learners to show their potential.	
	Total _____

3) This is our feedback to your answers:

0 - 9 points: You are a starter!

Take one more look at your answers. What could you do as a first step to promote the creativity of your students?

Get inspired by the variety of methods on our database. You can use the search engine to specifically search for methods promoting creativity by selecting them in the "Learning fields" category.

10 - 19 points: You are well on your way to becoming a Best Performer!

Does this evaluation match with your self-assessment? Take one more look at your answers. Which areas are you already satisfied with and which areas you would like to expand?

Get inspired by the variety of methods on our database. You can use the search engine to specifically search for methods promoting creativity by selecting them in the "Learning fields" category.

Talk to colleagues and share your experiences or meet colleagues and best performers in other countries online in our online community!

20 - 24 points: Congratulation! You are highly advanced!

Apparently, you have dealt extensively with the topic and collected many valuable experience. Do you want to share this experience with other interested teachers and school leaders? Visit our Best-Performers online community and share your experience with other Best Performers!
